Atmosphäre – außergewöhnliche Stimmung

Eintauchen in neue Wohnwelten: Diese Tapeten nehmen natürliche Muster wie Blüten, Wellen, Holz- und Steinoptiken als Basis und kombinieren sie mit Grau-, Blau-, Braun-, Gold- und Rottönen zu stimmungsvollen Effekten an der Wand.

Aquarelloptiken muten an wie ein See im Sonnenlicht, unregelmäßige Muster mit metallenen Partikeln erinnern an abgeblätterte Tapeten alter Schlösser, Reptilienhautmuster sorgen für einen Hauch Extravaganz.
